

At the Lake of the Hanging Glaciers

Photo by Byron Harmon

Trail Riders of the Canadian Rockies

BULLETIN No. 16

THE marvellously beautiful Lake of the Hanging Glaciers is the objective of our Official Trail Ride for 1928, and as so many of our members have expressed a desire to visit this lake, the prospects of a record turn-out are not unreasonable. Lying in a cup of Alpine peaks about 8,000 feet above sea level, this lake literally overwhelms all those who see it with the magnificence of its Alpine splendour. Here is what Frederick Niven, the well-known novelist, wrote about a trip he made there some years ago:—

“Going to the Hanging Glaciers is almost as good as getting there, so many are the memorable vistas on the way. There are glimpses of far peak and glacier through notch of fir-filled summits that one could live with all day; patterns as of white lace-work over green—creeks on a confronting mountainside. By the narrow trail we come to the last high and dusky forest. We see, beyond its wild natural avenues, a blaze of gold and blue, flecked with white, and ride out of that dark forest into the bright day on an upland meadow, where every tread of a hoof crushes for a moment the wild flowers and phyllodece. We

dismount and cannot step but on a blossom. Stupendous rock-slides fan down on either hand. Mother ptarmigan clucks to her broods; their white-tipped wings skim over the coloured meadow; they trot across the snow névés. From above a marmot whistles a long clear whistle of warning.

“Tramping on the last half-mile to the lake we know why old-timer Bruce christened this spectacle before us the Lake of the Hanging Glaciers. There is the glacial lake with its changing colours like an opal. Beyond are the fronts of the glaciers (reminding us of pictures of the Antarctic

Ice Barrier) making a wall of ice fantastically caverned. We are facing the valley's end, at the beginning of Horse Thief Creek, the tremendous cul-de-sac. It is a sweep of mountains, an amphitheatre many miles around. The glaciers—we can count eight of them—are each a colossal letter A, or an upturned V, in that summit-bowl of blue rock. In the lake fronting them float little icebergs—'calves' of the glaciers. We are eight thousand feet, or thereabouts, above sea-level. We are lost to the world of politics and wars and rumours of wars and bills and receipts. We sit among the wild flowers, the ice fields gleaming round us, warm in the August sun. A great stillness is in these high places. It is punctuated intermittently by a rumble not of thunder, the rumble of rock slides. Far from paving stones and crowds, we are where we can watch Old Nature at her work. When the late afternoon light is queer, awesome, on the peaks, we turn back to where the horses wait us between two long rock-slides on a wedge of grass, and go riding back down the trail, to the tents, and the fire in the twilight, and the 'fir-feather' mattresses."

Since Frederick Niven made the trip, the trails have been much improved, and a bridge now crosses the Horse Thief Creek at a point where there used to be a rather deep ford. The com-

fort of the Trail Riders will also be assured through arrangements which have been made with the Alpine Club of Canada. This Club will hold its Annual Camp at the Lake of Hanging Glaciers during the last two weeks of July, and has kindly agreed to maintain its staff and equipment for the housing of the Trail Riders who will arrive a day or two after the Alpine Climbers have dispersed. We remember how delightful the Alpine Club Camp proved at Lake O'Hara on the 1925 ride when we enjoyed similar privileges of hospitality.

The Trail Ride will start from Starbird's Ranch, about 18 miles from the C.P.R. Station at Lake Windermere, and will last four days, commencing probably on Thursday, August 2nd. The Brewster Transport Company have agreed to quote a very moderate round trip rate for Trail Riders from Banff to Starbird's Ranch and return, for parties of not less than four, namely, \$10.00 for a distance of over 220 miles. The rate for the Trail Ride itself, which includes horses, guides, tent accommodation and food, will be \$50.00. There is no accommodation at Starbird's Ranch, but there are very comfortable quarters at the Lake Windermere Bungalow Camp and at the Invermere Hotel, from which motor car service will be run to the start of the Trail Ride at rates which will be announced later.

The Ice Wall where the Moraine breaks off into the Lake of the Hanging Glaciers

Walter J. Nixon, well-known guide of Invermere, B.C.

The horses will be under the charge of Walter Nixon, of Invermere, B.C., one of our members, who has guided innumerable parties to the Lake

of the Hanging Glaciers, and has cut most of the trails in that locality.

SKOOKUMCHUCK CAMP

Trail riding was one of the major activities last summer at the Skookumchuck Camp for girls, located on the shores of the very lovely Premier Lake, about sixty miles south of Lake Windermere, B.C. Miss Madeline Turnor, who holds the 2,500 mile brooch and has taken part in most of our annual trail rides, is on the staff of this Camp, and interested the girls in our Order so much that twenty-five of them have joined up and wear the brooches. The girls at this camp have cavalry drill under the direction of a British Army Officer, and make camping trips from time to time over the neighbouring trails. They have a wonderfully well-equipped camp of log cabins, with a staff of counsellors to keep their time well occupied. Miss Mary Cutler, who is Director, is

connected with the Physical Education Department, West High School, Minneapolis, and is an enthusiastic Trail Rider. As the Lake of the Hanging Glaciers is not so very far from Skookumchuck, we may have the pleasure of welcoming a party of young trail riders from this Camp at our Annual Ride next August. Photographs of some of the new members will be found in the centre pages of this Bulletin.

BELMORE BROWNE—AN ARTIST TRAIL RIDER

Belmore Browne has been a resident of Banff for seven years and a trail rider the greater part of his life.

Having completed his art studies at the age of 21, his desire to paint mountains and their wild denizens led him to Alaska, where for many years he followed the northern trails.

For two years he collected and made drawings of wild animals for the American Museum of Natural History, his finest trophy being the largest specimen of the Alaskan brown bear ever collected for a museum. Its weight was 1,600 pounds.

He was a member of the 1906 Mount McKinley Expedition and field leader of the 1910 and 1912 expeditions that attempted to climb this 20,000 foot giant of the Alaskan Range. At last, with two companions, H. C. Parker and Merl LaVoy, he reached the N.E. end of the summit of this, the highest mountain in North America. An account of these three adventurous years is recorded in his book "The Conquest of Mount McKinley." He is the author of many magazine articles, illustrations and pictures.

In 1921 he settled in Banff and built a home in which he and his family still reside. The seven following years have been spent by him in exploring and painting the matchless mountain region of the Canadian Rockies. Mr. Browne's paintings are seen in all the larger exhibitions in the United States. One of his canvases called "Lake Louise: Early Spring" hangs in the permanent collection of the Rochester Museum of Art. A second large painting called "The Chief's Canoe," exhibited in this winter's exhibition of The National Academy of Design, has just been purchased by the Council of the Academy.

Mr. Browne wears the 2,500 mile button of "The Trail-Riders of the Canadian Rockies."

THE SONG OF THE 1927 TRAIL RIDE

In response to numerous requests we print the song written to an old tune by the Secretary and sung by Harold Key at Sunshine Camp Pow Wow.

Far from the turmoil of office and city,
Yet not too far from the girls that are pretty,
Under a teepee I thought of a ditty
Sung to a tune that came humming along;
Humming with names of the stout and the slender
Fair ones to whom all our hearts we surrender,
Names of the tough ones and names of the tender,
These are the names that entered my song.

Lancaster, Rogers, Bill Brewster, Miss Boggs,
Mary Hogan, Bill Woolnough, Miss Margaret
King,
Malkins and Pierces, Fred Armbrister, Rungius,
Such are the names that now I would sing.
Names of the happy who always are singing,
Gladdest of all when the food they are bringing,
Names of the fresh whom mosquitoes are stinging,
These are the names that now on me throng;
Names of the cookies who sure are a wonder,
Names of the brave who in lightning and thunder
Don't use their blankets to hide their heads under,
Riders and guides, they fill up my song.

Green, Allyn Seymour, Miss Scheffer, Fern
Brewster, Phil Moore, Mrs. Jim, Mrs. Pat,
Mrs. Bill,

Joe and Mike (Cookies), the Doctor and Soapy,
Bonnar and Jack, I think of them still.

Names of the riders who mounted the passes,
Names of the ladies as sweet as molasses,
Names of who wore and who didn't wear glasses,
These are the names that kept humming along;
Names of the guides who went bravely before us,
Names of the girls who in secret adore us,
Names of the camera men who implore us
Not to forget their names in this song.

Scott, Byron Harmon, Bert Ward, Mary Cran-
dall, Miss Soole and Miss Dewberry, Elizabeth
Booz,
Walsh, Walter Wilcox, Keith Morris, the Pierces,
Laura the lovely—these now I choose.

Some came from England far over the briny,
Where they have mountains but just a bit tiny,
Every morning their boots are so shiny,
Just let us hope that they'll bring more along.
Others we name who are not so far roaming,
Maybe in Banff or in Montreal homing,
All of them happiest when they are coming
Over the trails that started my song.

Toppy and Leighton, Jack Cooley, Rob Babbie,
Hugh Mac, Mrs. Westland, Mrs. Rungius, Red
Bennett, Ed Ogan, Jim Bagley, Ben Larkin,
Ches, Blossom and Kellie, our grand chape-
rone.

Trail Makers, from the painting by Belmore Browne
